Presidents Message

I'm glad to have this opportunity to express my feelings toward the class and the school.

For all of us, there are many memorable experiences, both good and bad, that we will take with us from our high school years.

It is my hope that what we take with us from Rutland High School will give each of us inner peace and hope, helping us to bring forth peace for the world.

I would like to thank the faculty, administration and especially the parents for helping us through our high school years.

I would also like to take this opportunity to thank my fellow classmates.

Good luck in the future.

GRADUATION

On a day in June- it's sad, but true
The class of '83 will say good-bye to you.
As "Pomp and Circumstance" dies away
Life is theirs, come what may.
Hopes of the futures, dreams of the past
Mingled with the thought-"We're free at last!"
We're all out for a summer of fun
But for some of us, college plans have just begun.
Some grads with a little drive
Will join the Class of Eighty-Five.
Others will be praying to heaven
Cause they'll be the class of Eighty-Seven
Some will go far away.
But others will be here to stay.
No matter where we may be
When we look back we will see
The faces of our many friends
And wish that it had never come to an end.
Hopefully we'll all stay in touch
Because we care so very much.
But no matter what happens to the Class of Eighty-Three
It has to be good because we're the best they'll ever be.

TRI-CAPTAINS

Despite an 2-6 overall record, our 1982 football season was very successful. We feel that most of our success was due to the confidence and respect we received from our coaches. They stood behind us despite some heartbreaking losses and seemed to encourage us more and more each week. Our two great coaches seemed to be the only people, besides the team members, who believed that we had the ability and the potential to win our late season games. All of this work paid off on November 5, 1982 when we defeated M.S.J. by a score of 30-26. We, the members of the 1982 varsity squad, would just like to say thanks Mr. Teta and Mr. Keefe for a great and memorable season.

Mrs. Sarah Elizabeth McCormack has been a nurse in the Rutland Public School System since 1940. Over the 43 years she has served the Youth of Rutland in a most conscientious, personal and professional manner.

In her retirement, we wish her many years of enjoyment, health and happiness.

The entire Rutland Community is fortunate to have had the services of "Sis" for more than four decades.

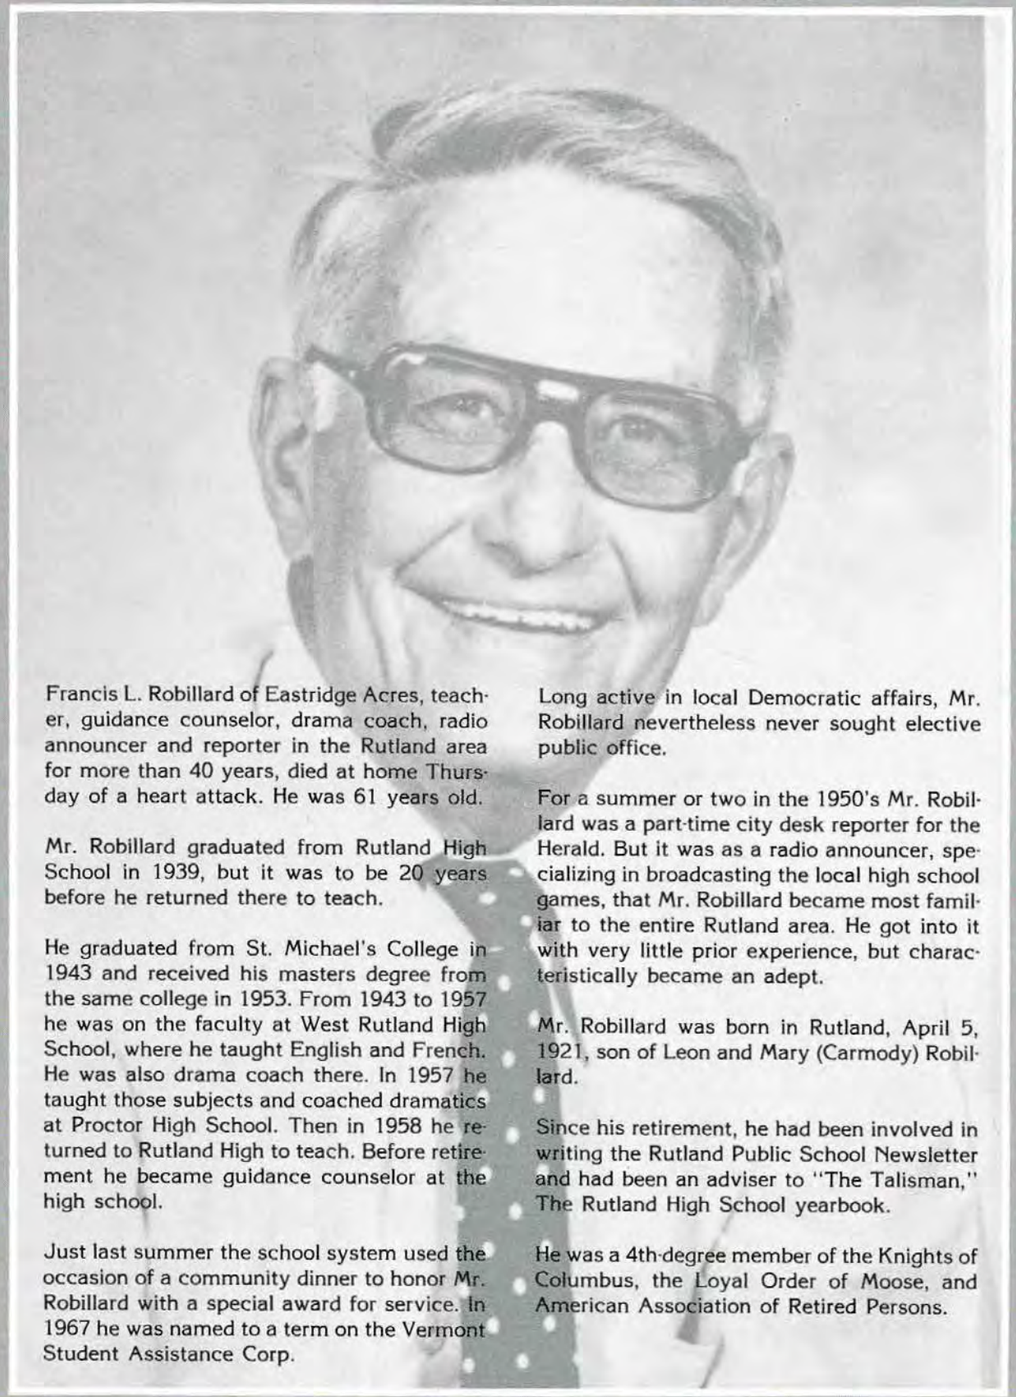
In Memory

Francis L. Robillard



Francis L. Robillard of Eastridge Acres, teacher, guidance counselor, drama coach, radio announcer and reporter in the Rutland area for more than 40 years, died at home Thursday of a heart attack. He was 61 years old.

Mr. Robillard graduated from Rutland High School in 1939, but it was to be 20 years before he returned there to teach.

He graduated from St. Michael's College in 1943 and received his masters degree from the same college in 1953. From 1943 to 1957 he was on the faculty at West Rutland High School, where he taught English and French. He was also drama coach there. In 1957 he taught those subjects and coached dramatics at Proctor High School. Then in 1958 he returned to Rutland High to teach. Before retirement he became guidance counselor at the high school.

Just last summer the school system used the occasion of a community dinner to honor Mr. Robillard with a special award for service. In 1967 he was named to a term on the Vermont Student Assistance Corp.

Long active in local Democratic affairs, Mr. Robillard nevertheless never sought elective public office.

For a summer or two in the 1950's Mr. Robillard was a part-time city desk reporter for the Herald. But it was as a radio announcer, specializing in broadcasting the local high school games, that Mr. Robillard became most familiar to the entire Rutland area. He got into it with very little prior experience, but characteristically became an adept.

Mr. Robillard was born in Rutland, April 5, 1921, son of Leon and Mary (Carmody) Robillard.

Since his retirement, he had been involved in writing the Rutland Public School Newsletter and had been an adviser to "The Talisman," The Rutland High School yearbook.

He was a 4th-degree member of the Knights of Columbus, the Loyal Order of Moose, and American Association of Retired Persons.

April 5, 1921-January 20, 1983

On January 20, 1983, the Rutland Community lost a truly dedicated teacher with the death of Mr. Francis Robillard. Mr. Robillard spent nearly 40 years in education and from 1959 - 1982 was a member of the Faculty of Rutland High School.

Fran had a real sense of commitment to his students. He was the type of teacher who got the most out of his students and in return commanded a great deal of respect from them.

Over the years he spent in education he had a profound effect on thousands of youngsters.

In Memory

In memory of those we've lost
There will always be a space
An empty void in memory
of those we can't replace

To Mr. Francis L. Robillard
A husband, a father, a teacher,
A friend.

R. Taylor

On January 20, 1983, our school community lost a devoted educator, Francis Robillard. He was a professional, whose interests and talents went beyond the classroom, and the confines of a building.

We, who were associated with this devoted parent, husband, and educator, shall miss his friendship and humor. We shared with him for so many years the strengths and weaknesses of mortals — laughter, friendship, frustration, adversity, success, failure, dedication, and devotion.

He touched the lives of many with positive deeds, during the 40 years he devoted to his profession. However, his fondest achievement was his involvement, since its reception, with the Vermont Student Assistance Program, which opened many opportunities for the college aspirant who had financial need.

We shall miss our dear friend, but the roads we travel parallel, and the separation is but time.
